PAD-SST

Suction Stand
with Theft Deterrent Lock
for Tablets and Smartphones

Security and convenience for your Tablets and Smartphones!

Adjustable stand for both horizontal and vertical positions

Sturdy lock and cable

Fully adjustable neck and mount

Protect your device using CTA Digital's Suction Stand with Theft Deterrent Lock for Tablets and Smartphones. This anti-theft stand firmly attaches to the back of your tablet or phone with ultra strong suction and can be secured to an object with the included steel-core combination cable lock. The suction cup can adhere to most tablets or smartphones with smooth surfaces and features a built-in adjustable kickstand to comfortably watch videos or enjoy apps. The 3-dial combination cable lock attaches over the suction locking lever so that the suction force cannot be released and works as a very effective theft deterrent, ideal for offices, dorms, coffee shops and other shared spaces.
So keep your device secured with CTA's Suction Stand with Theft Deterrent Lock for Tablets and Smartphones.
